Comandă

(1) Toate comenzile trebuie să fie în scris - prin scrisoare, e-mail, SMS sau mesaj WhatsApp, transmise vânzătorului la adresa de corespondență str. Pârului, nr. 24, Baia Sprie, Maramureș, cod poștal 435100, pe site-ul <https://www.florisol.ro/>, la adresa de e-mail office@florisol.ro sau la numerele de telefon fix 0262 262111 și WhatsApp 0742 478 468. Orice comandă telefonică trebuie confirmată în scris, în termen de 3 zile de la plasare, prin scrisoare, e-mail, SMS sau mesaj WhatsApp. Compania SOLMIXFLOR SRL își rezervă dreptul de a refuza o comandă plasată telefonic, dacă aceasta nu este urmată de confirmarea în scris. Livrarea comenzilor se face la adresa furnizată de către cumpărător. Dacă adresa de corespondență este diferită de adresa de livrare a produselor, cumpărătorul este responsabil să furnizeze corect adresa de livrare odată cu plasarea comenzii.

(2) Cumpărătorul este de acord pe timp nedefinit cu procesarea datelor sale personale în scopuri de marketing de către compania SOLMIXFLOR SRL, și acceptă să primească informări telefonice (verbal sau prin SMS) și electronice (e-mail, mesaj WhatsApp, etc.) cu privire la produse și oferte ale companiei SOLMIXFLOR SRL.

(3) Confirmarea comenzilor plasate se va face de către vânzător în scris (SMS, mesaj WhatsApp, e-mail, sau alte mijloace electronice). Cumpărătorul are obligația să verifice cu atenție confirmarea primită, pentru a stabili dacă produsele și cantitățile confirmate sunt cele solicitate, și de asemenea dacă data livrării/săptămâna de livrare este corectă. Dacă în termen de 7 zile de la primirea confirmării de către cumpărător, acesta nu contactează vânzătorul pentru a aduce modificări comenzii plasate, această comandă este considerată ca fiind acceptată de către ambele părți - vânzător și cumpărător. Data exactă pentru livrare în cazul comenzilor la care s-a stabilit doar săptămâna de livrare se va comunica de către vânzător în zilele premergătoare livrării. În cazul comenzilor care nu au fost plasate în avans - comenzi de ultim moment -, nu mai este necesară confirmarea în scris. Vânzătorul nu este responsabil în niciun fel pentru comenzi care nu au fost confirmate.

(4) Cumpărătorul este obligat, odată cu primirea confirmării comenzii să achite un avans în valoare de 15% din valoarea totală a comenzii. În cazul în care cumpărătorul nu a achitat avansul, și nu există certitudinea că acesta va achita valoarea comenzii, vânzătorul își rezervă dreptul de a anula comanda.

(5) Pentru a beneficia de anumite prețuri promoționale sau oferte speciale, cumpărătorul trebuie să se încadreze în termenii limită pentru plasarea comenzilor și pentru achitarea avansului de 15% stabilit de către vânzător.

(6) Anularea unei comenzi confirmate este posibilă doar prin acordul ambelor părți, atât vânzător cât și cumpărător, în concordanță cu regulile de la punctul (3).

(7) În cazul în care cumpărătorul dorește anularea unei comenzi confirmate, pentru care a achitat deja avansul de 15%, vânzătorul are dreptul de a păstra suma achitată ca avans pentru comanda respectivă, nefiind obligat să returneze cumpărătorului valoarea avansului. De asemenea, vânzătorul are dreptul de a factura cumpărătorului pentru pierderile cauzate de anularea unei comenzi, în funcție de momentul în care se anulează comanda: dacă această comandă este anulată cu până la 8 săptămâni înainte de livrare, se percepe 50% din valoarea acesteia, iar dacă această comandă se anulează între 8 săptămâni și cu până la 4 săptămâni înainte de livrare, se percepe 100% din valoarea comenzii.

(8) În cazul comenzilor plasate în avans, în situația în care cumpărătorul nu exclude în mod expres posibilitatea de înlocuire a anumitor varietăți de produse cu altele similare, vânzătorul își rezervă dreptul de a înlocui anumite produse cu altele similare, la același preț.

(9) În cazul comenzilor plasate cu 4 săptămâni înainte de livrare, sau mai puțin de 4 săptămâni, vânzătorul își rezervă dreptul de a înlocui anumite produse care au fost confirmate, cu altele similare, menținând aceleași cantități comandate.

(10) O comandă este considerată ca fiind onorată de către vânzător dacă plantele pleacă de la sediul vânzătorului cu până la 7 zile mai devreme decât data stabilită în prealabil, sau cu până la 14 zile după data stabilită în prealabil.

(11) Vânzătorul își rezervă dreptul de a livra comenzile în tranșe diferite.

(12) Vânzătorul își rezervă dreptul de a anula orice comandă plasată pe baza unor oferte de ultim moment, fără a fi obligat să ofere vreun motiv pentru anulare.

(13) Cumpărătorul poate aduce modificări unei comenzi plasate și confirmate doar cu acordul vânzătorului, și nu mai târziu de 6 săptămâni înainte de data livrării respectivei comenzi. Vânzătorul își rezervă dreptul de a nu onora modificări aduse mai târziu de acest termen de 6 săptămâni, iar cumpărătorul poate fi facturat cu valoarea totală a comenzii plasate inițial.

(14) Livrarea comenzilor se va face cu mijloace de transport ale vânzătorului, prin firme de curierat, prin poștă sau cu mijloace de transport ale cumpărătorului. Costurile de transport vor fi suportate de către vânzător sau cumpărător, în funcție de ofertă. Vânzătorul va face livrarea comenzilor prin metoda specificată și confirmată de către cumpărător. Vânzătorul nu este responsabil pentru nicio daună adusă produselor pe durata

Prețuri, termeni de plată, cantități comandate

(1) Toate prețurile furnizate de către vânzător sunt exprimate în lei, și conțin TVA. În funcție de ofertă, prețurile pot sau nu să includă cheltuielile de transport. Prețurile promoționale sunt valabile doar în situația în care cumpărătorul îndeplinește criteriile stabilite pentru acordarea acestor promoții. Neplata în termenii stabiliți a valorii unei comenzi poate duce la plata suplimentară a unor penalități, conform ratelor aplicabile.

(2) În cazul în care vânzătorul este de acord cu amânarea plății unei comenzi (cu 30 de zile sau mai mult), acesta are dreptul de a taxa cumpărătorul pentru acest serviciu. Valoarea acestei taxe se va stabili odată cu confirmarea comenzii.

(3) Vânzătorul își rezervă dreptul de a aduce modificări la prețuri, în funcție schimbările ratei de schimb valutar.

(4) Se pot comanda produse doar în regim en-gros, la cantitățile specificate în formularul de comandă; vânzătorul nu comercializează produse la bucată.

Reclamații

(1) Reclamațiile cu privire la transportul, dimensiunile, calitatea și cantitatea plantelor livrate (inclusiv bulbi, răzomi, etc.), trebuie făcute la livrarea comenzii, nu mai târziu de 24 de ore de la primirea produselor, putându-se face telefonic sau în scris. Reclamațiile făcute telefonic trebuie confirmate în scris (prin scrisoare, e-mail, SMS sau mesaj WhatsApp) în termen de 3 zile de la efectuarea reclamației.

(2) Vânzătorul va fi responsabil financiar doar de cel mult valoarea produselor pentru care s-a depus în termen și în scris o reclamație validă.

(3) Vânzătorul nu va accepta reclamații făcute în urma eventualelor daune cauzate de întârzierea cumpărătorului de a accepta livrarea produselor comandate.

(4) Reclamații referitoare la livrările prin firme de curierat

a) Din momentul preluării de la sediul vânzătorului a coletului/coletelor în care este ambalată o comandă, de către firma de curierat care urmează să efectueze transportul, aceasta este singura responsabilă pentru integritatea acestor colete, pe toată durata transportului. Vânzătorul nu este responsabil pentru eventualele daune suferite de aceste colete pe durata transportului.

b) În cazul unei eventuale condiții nesatisfăcătoare a coletelor primite, reclamațiile vor fi înaintate către compania de curierat responsabilă de transport, conform protocolului stabilit de către această companie și acceptat de către cumpărător.

c) Reclamațiile referitoare la calitatea serviciilor de curierat se fac direct către compania responsabilă de efectuarea acestor servicii. (vezi punctul 14 de la Comenzi)

d) Vânzătorul poate acționa ca reprezentant al cumpărătorului împotriva companiei de curierat pentru a obține o eventuală despăgubire pentru acesta, cu condiția ca reclamația să fi fost făcută corect, conform procedurilor stabilite de către compania de curierat. În cazul în care vânzătorul obține o despăgubire, acesta va achita cumpărătorului valoarea despăgubirii.

Garantie

Vânzătorul nu este responsabil pentru creșterea și dezvoltarea plantelor cumpărate, deoarece acestea depind de factori externi, independenți de el, asupra cărora nu are niciun control. Orice sfaturi sau asistență oferită cumpărătorului sunt furnizate cu cele mai bune intenții, dar vânzătorul nu își asumă nicio responsabilitate pentru rezultatele obținute.

Soluri protejate

(1) Dacă o comandă include și soiuri înregistrate protejate de lege, cumpărarea acestor soiuri se poate face doar cu scopul de a le crește pentru vânzare, orice propagare a acestor soiuri fiind ilegală.

(2) Cumpărătorul este obligat să afișeze etichete cu numele soiurilor primite de la vânzător, pe toate plantele pe care urmează să le comercializeze.

(3) Cumpărătorul va permite companiei SOLMIXFLOR SRL, sau unui reprezentant al acestei companii să verifice dacă se conformează cu termenii acestui contract.

(4) În cazul în care cumpărătorul identifică plante cu mutații genetice față de soiul care este indicat pe etichetă (denumite în engleză "sports"), cumpărătorul rămâne deținătorul speciilor respective, dar este obligat să anunțe vânzătorul sau un reprezentant al acestuia de apariția acestei mutații și de soiul la care a avut loc această mutație. În cazul semnalării unui asemenea mutant, vânzătorul sau un reprezentant al acestuia va inspecta facilitățile unde se cultivă plantele, și va obține mostre pentru eventuale experimente.

Dreptul asupra produselor

Produsele livrate vor rămâne proprietatea vânzătorului până când valoarea acestora este achitată integral de către cumpărător. Această clauză se aplică inclusiv plantelor care au crescut față de stadiul în care erau la momentul livrării. În cazul în care cumpărătorul întârzie achitarea valorii produselor, vânzătorul are dreptul de a-1 acționa în instanță, pentru a obține plata acestora, sau de a intra din nou în posesia produselor pentru a le vinde altui
